INTRODUCTION

The City of Hobart has a variety of equipment available for event organisers and community groups to hire for their public or private event (subject to availability).

One of two hire rates will be applicable to your equipment hire, the community/NFP rate or the commercial rate. A community/not-for-profit organisation is defined as an organisation that does not directly operate for the profit or gain of its owners, members, or shareholders, either directly or indirectly. You will be asked to provide your ABN, entity name and charity type (if applicable).

The commercial rate is for events that are organised by for-profit organisations and businesses.

The City of Hobart offers a grants program that you may be eligible to apply for to receive either cash or in-kind support for your event. Further information regarding this program can be found on our Event Grants webpage at <https://www.hobartcity.com.au/Community/Grants-and-funding/Event-Grants>

All pricing is set at competitive rates and takes into account maintenance, repairs and administrative costs.

IMPORTANT INFORMATION:

- If the City of Hobart transports the equipment, the cost for this service is additional to the Hire Fee and can only be determined after the equipment has been returned.
- Hirers are to ensure that there is a place at the event site to safely unload/store equipment.
- Any required changes to hires must be advised asap. Depending on the change and availability of transport, some changes may not be fulfilled.
- A \$150 non-refundable cancellation fee applies to equipment hires that are cancelled within 72 hours (3 days) of the hire date.
- For hires cancelled within 24 hours of the hire date, a \$150 service fee or 50% of the total hire fee will apply (whichever is greater).
- It is at the discretion of the City of Hobart to waive the cancellation fee.
- A refundable bond of 25% of the total hire fee (excluding transport) may be applied to hires.
- Condition reports will be conducted pre and post event.
- Equipment can only be collected and returned during normal business hours. There is no capacity for weekend or public holiday collections or returns.
- For safety reasons, please ensure appropriate closed footwear is worn when collecting and returning equipment. If open footwear (such as thongs or sandals) is worn when collecting equipment, you may be refused collection until appropriate footwear is worn.

TABLE AND BENCH SETS

Table and bench sets in stillage storage.

Table and bench set-up.

Minimum Hire	20 table sets (one stillage) minimum per hire, minimum 7-day hire	
Hire Fee	Community/Not-for-Profit: • \$42.82 (ex GST) per unit, per week	Commercial: • \$44.91 (ex GST) per unit, per week
Transport	<ul style="list-style-type: none"> • Transport is organised through the City of Hobart transport team and the cost for this is additional to the Hire Fee. • The cost of transport depends on the location and logistics of the hire, and therefore cannot be determined until after the equipment has been returned. 	
Other Notes	<ul style="list-style-type: none"> • A forklift is required at the event location to unload tables from the truck (a pallet jack will not lift the stillages). Please let us know if you need help organising a forklift, or if a HIAB truck is required at the drop-off site. • Tables must be returned in the same condition as at delivery. Additional charges will result if tables and benches require repair or cleaning. • Tables are only available in sets of 20. • Table dimensions are 70cm x 200cm. • Included in your hire will be tables with 2 benches per table and 2 metal bases per table. • Maximum number of table and benches is 300, subject to availability. 	

BEAN BAGS

A selection of our vinyl bean bags.

12 bean bags under a cargo net in a large ute tray.
