Introduction

The City of Hobart grants program provide financial assistance for projects and activities that involve, engage and provide benefit to both the local and wider Hobart community.

The City supports projects that enhance community identity, encourage accessibility, support, enhance and celebrate the cultural life of Hobart and create opportunities that facilitate and encourage participation within the city.

There are two categories within the Community grant programs:

City of Hobart Vision and key strategies

The City of Hobart grants program are reflected throughout many areas of the Vision, Strategic Plan and key strategies. Applicants are required to demonstrate how their activity will support the range of community objectives. These documents include:

- [Hobart: A Community Vision for Our Island Capital](#) to help you understand how your project can contribute to our vision for the city. The vision guides our planning and decision-making and is a useful guide for anyone looking to understand community identity and aspirations in Hobart. You are encouraged to reference the vision statement, the identity statements and the pillars in your application.
- [Capital City Strategic Plan 2015 - 2025](#) to help you understand what the City of Hobart is aiming to achieve for the city.
- [Social Inclusion Strategy](#) to demonstrate how your event will contribute to community inclusion and tolerance, value diversity and encourage participation.

Community and culture criteria

Projects will be assessed in terms of their capacity to align with a particular priority area for any of the following strategies:

- [Multicultural Strategy 2014-2019](#)
- [Youth Strategy 2014-2019](#)
- [Children and Families Strategy 2014-2019](#)
- [Positive Ageing Strategy 2014-2019](#)
- [Equal Access Strategy 2014-2019](#)
- [Housing and Homelessness Strategy 2016-2019](#)

Community Quick Response Grants guidelines

These guidelines outline the eligibility, assessment criteria and the assessment process for the Community Quick Response Grants Program. All applications must comply with these guidelines.

For more information and to determine eligibility for other City of Hobart grants, please refer to the guidelines on the City of Hobart website hobartcity.com.au/grants.

The City of Hobart reserves the right to reject any application that does not meet the eligibility, qualification or evaluation criteria. The City of Hobart also reserves the right to request further information in considering any application.

What can you apply for?

Applicants can apply for only one grant per project per financial year, including Quick Response Grants. This means applicants may apply for grants in the City of Hobart's grant programs at the same time, and in consecutive rounds, but not for the same project.

The City of Hobart does not provide "in-kind" support for venue or equipment hire, fees or permits through this grant program. All applications are for cash only.

As such, it is the responsibility of the applicant to ensure that all venue or equipment bookings or any associated charges for fees, hire of permits required by your application, are all managed and confirmed directly with the specific officers within the City.

How much can you apply for?

Quick Response Grant

- Up to \$500
- Available year round or until grant funds are expended
- Four-week turnaround for a response

Applications should demonstrate that the level of funding requested is commensurate with the expected outcomes, participants involved and audience engagement.

When can you apply?

Quick Response Grant applications can be submitted throughout the year until the grant funds for this financial year is expended.

Applications are welcome for activities between 1 July 2019 and 30 June 2020.

Applications can only be funded for activities occurring no earlier than five weeks and no later than six months after the date of submission.

Please contact grants@hobartcity.com.au prior to commencing your application to ensure there are funds available.

Who can apply?

Incorporated, not-for-profit organisations

Incorporated, not-for-profit organisations are eligible to apply for and auspice applications for this grant.

For the purposes of this grant, a not-for-profit organisation is one that is not operating for the profit or gain of its individual shareholders, whether these gains would have been direct or indirect. A not-for-profit organisation can still make a profit/surplus, but this profit must

be used to carry out its purposes and must not be distributed to owners, members or other private people.

For more information about not-for-profit status, please visit the website of the [Australian Tax Office](#) or the [Arts Law Centre of Australia](#).

Unincorporated groups or organisations

Unincorporated organisations or groups may apply for this grant. As there is a cash component to the grant request, the applicant is required to enter an auspicing agreement with an incorporated, not-for-profit organisation to assist with the project, for example, financial management and public liability coverage.

Applicants who are auspiced must provide full details and confirmation from their auspicing organisation. A [sample letter](#) to confirm your auspice arrangement is available on the City of Hobart's website. The letter should be submitted as a PDF.

For more information about auspice agreements visit [Auspicing Agreements](#).

External services, such as security, toilet hire, transportation and traffic management plans may be required by the City and should be factored into your event planning.

Please allow yourself time to make the required bookings and enquiries. You must upload correspondence of tentative booking in this application, this must include:

- The start and end date and time of the booking
- The cost excluding GST
- The name of the City of Hobart officer
- Confirmation the hire is confirmed.

The cost of equipment or venue hire, fees or permits can be found in the City of Hobart's Fees and Charges booklet, available on the City of Hobart website hobartcity.com.au/feesandcharges

We encourage you to use the [Major Event Development Guide](#), which provides practical information on how to run your own event. The guide includes information about the required permits and licences, contact details for relevant authorities, venue booking details, and other important factors to consider when planning your event. For more information about running your own event, visit www.hobartcity.com.au/Community/Events-and-activities/Running-your-own-event

Venue hire

The City has a broad range of venues for hire, some of which are included in the [Creative Hobart - A Guide to Creative Places](#) or on the [Creating Spaces](#) website.

Submitting a grant application does not mean that you have booked the desired venue or equipment. This is a separate process.

Please contact the following City of Hobart officers for more information and to confirm venue bookings:

- For city parks and reserves, as well as Alexandra Battery, Beaumaris Zoo, Blinking Billy Point and Princes Park Magazine, please contact City Amenity on telephone 03 6238 2886 or via email parks@hobartcity.com.au
- For City Hall, Town Hall, Town Hall Underground and Waterside Pavilion, please contact Corporate Services on 03 6238 2765 or email hallbookingenquiries@hobartcity.com.au
- For Mathers House, please contact the Mathers House Program Officer on 03 6234 1441 or mathers@hobartcity.com.au

Event equipment hire

The City of Hobart has limited events equipment for hire, including bean bags, table and bench sets and umbrellas.

Please note that the applicant is responsible for booking and transporting these items.

For more information, please contact Production Coordinator – Community Events on 03 6238 2770.

Assessment criteria

Eligible applications will be assessed against the criteria listed below. Projects or activities do not need to meet all the following assessment criteria, nor is meeting all the criteria a guarantee of funding.

While applications can be submitted from applicants for projects that have been funded in previous years, this does not automatically ensure continued grant support. The City does attempt to direct funding to assist new projects.

The success of an application is determined by its merits against the assessment criteria.

Each application will be assessed on its individual merit and its capacity to:

- align with at least one of the objectives of the Social Inclusion Strategy or priority areas of the community strategies (identified at the start of this document).
- respond to a need or interest in the community.
- allow the community to support or be involved in the activity.
- be accessible to the community.

As well as the overall quality and capacity of the application to deliver the identified outcomes. This includes:

- key personnel and their experience.
- how manageable and organised the project is.
- an adequate balanced budget.
- the ability for the project's concept to achieve the identified outcomes.

Key personnel and strategic partners

The assessment process will include evaluation of key personnel and strategic partners.

Your application should demonstrate that suitably qualified and experienced personnel will be involved in the development and delivery of the proposed event. The form requires you to specify whether they are paid or volunteering as part of the project.

Your activity may have strategic partners. A strategic partner is not your auspice organisation, but rather a group or organisation that is assisting in some way to deliver your project. If you have strategic partners, it is beneficial to include a letter outlining their role in and support they are providing to the project.

Project budget

Your application should demonstrate adequate research in relation to the submitted budget, including details of expenditure of grant funds.

Clear budget information will allow the Assessment Panel to understand your project or activity, and which parts of it the City is being asked to support. Please note the expenses that the City will not cover, as listed under Eligibility in these guidelines.

You must provide a balanced budget, accounting for all expenses and income, including in-kind (free of charge), other sponsorships or grants and the amount you are requesting from the City of Hobart. You can use the template provided in the application form to help you.

Please note that “income” refers to all cash and in-kind resources that will be directed towards the development, implementation and/or evaluation of proposed projects. It does not just refer to income generated from a proposed project, such as ticket sales or sale of publications.

All venue or equipment hire, fees or permits must be discussed with a City of Hobart officer and a quote provided. These items are subject to availability and additional costs, for example transport, must either be included in the grant request or will be at the expense of the applicant. The application form requires you to provide the correspondence you have had with the specific City of Hobart officer. This correspondence should include the date of contact, the cost excluding GST and the hire is tentatively confirmed.

Assessment process

Communication

Applicants will receive automatic notification of receipt of application and notification of the assessment results. All applicants will be advised of the Council decision by email following Council approval. All applications will be advised of the funding decision within five (5) weeks from the date of submission.

Pre-assessment eligibility check

City of Hobart officers will have a 48-hour review period to contact applicants after the grant round has closed to clarify technical points, such as eligibility, if necessary, or to request the provision of supplementary information that would assist the Assessment Panel in their deliberations.

Assessment panel

The assessment panel will consist of three or more relevant City of Hobart officers. The panel will assess each application on its merit against the assessment criteria. Applications will only be scored and assessed according to the assessment criteria.

Through assessment, the application may be recommended for partial funding. This decision is carefully considered with the view of maintaining the integrity of the proposal. Any lesser financial assistance by the City will involve consultation with the applicant at the time of a Grant Offer being made.

Decision to accept recommendations

The panel will make its recommendations as to which applications should receive funding based on the above deliberation process. All recommendations are approved by Council, either directly or through delegation of authority. Through this authority, the decision regarding funding outcomes is final.

At this stage the recommendations become available as public records, and will include the name of the applicant, amount requested, a brief outline of the project, the panel's recommendation and amount approved (for successful applicants).

Successful applications

Successful applicants will be sent a Letter of Offer. Where the City is unable to provide the full amount requested, any lesser assistance will involve consultation with the applicant at this stage.

Applicants are asked to accept the offer in writing within 14 days. Grants will be paid on receipt of a tax invoice (inclusive of GST where applicable) from the applicant or its auspice organisation.

Inability to comply with the conditions of the offer may result in the withdrawal of the grant.

GST and grants

If your organisation will incur a GST liability as a result of receiving the grant (only applicable if your organisation is registered for GST), please submit a tax invoice equal to the amount of the grant plus GST. Otherwise, please submit an invoice equal to the amount of the grant only.

It is a requirement of the Australian Taxation Office that any payee (including incorporated organisations) who does not have an Australian Business Number (ABN), must complete a Statement by a Supplier form. This must be submitted with your application. A copy of this form can be found on the City of Hobart website hobartcity.com.au/grants.

Unsuccessful applications

If your application is not successful, the decision does not necessarily reflect the worthiness or community benefit of the proposal. All applicants are encouraged to discuss their application with the relevant City of Hobart officer.

Acknowledgement of City of Hobart support

Successful applicants must acknowledge the City of Hobart's assistance for their project.

Please refer to the Grant Partnership Acknowledgement Guidelines for detail of the expectations in terms of acknowledging the City's assistance.

Acquittal

Upon completion of the project, successful applicants will be required to acquit their grant, providing evidence of the execution of their project, expenditure and outcomes.

The Acquittal form will be made available to successful applicants via SmartyGrants and must be completed online within **one calendar month of the project completion date**.

The acquittal report for the grant asks for:

- examples of the media coverage achieved, including media clippings and images where available.
- local community support and participation achieved, including evidence of community support.
- any other data collected by organisers as part of the project evaluation process, such as feedback from participants and audience.
- examples of promotion, including how the City's support was acknowledged, such as posters, social media posts and flyers.
- at least three (3) good quality images of the activity with no watermarks or logos.
- feedback on your experience of the City of Hobart grants program.

The Acquittal form is available on SmartyGrants once the Letter of Offer has been sent.

Organisations that do not satisfactorily acquit their grant may not be eligible for future funding and may be required to return the funds allocated to their project.
