

# Welcome to the Bush Adventures Winter Program 2017.

Winter is a wonderful time to appreciate Hobart's temperate environment, and if you're lucky, see some snow! The youngest Bush Kids will be adventuring from Fern Tree's rainforest for Flora the Explorer's Silver Falls to Sandy Bay for Penguin Party, while older Bush Kids will be heading off for Bush Adventures across all of Hobart. Adults can have the opportunity to slip into their gumboots for a Botanical Foray, or step into history at Beaumaris Zoo. When the sun goes down and the bush comes to life, your whole family can fire up your flashlights for "Dasyurids after Dark" and our old family favourite "Where our Wild Things are".

In August, we're participating in National Science Week, so join us at the Festival of Bright Ideas, or our special scientific Bush Adventures program for your budding bushland biologists! There are activities and adventures for every age group to enjoy, so slide into Winter and join us for a Bush Adventure!

**Bookings are essential for all Bush Adventures**

For enquiries and bookings please contact the City of Hobart on 6238 2886 (BH).
