Aldermanic Allowances:

The Local Government Act 1993 provides that councillors (known as Aldermen at the City of Hobart), are entitled to prescribed allowances. Mayors and deputy mayors are entitled to additional allowances for these specific roles. The Local Government (General) Regulations 2015 prescribes these allowances which are adjusted by the CPI inflationary figure, as at 1 November in each year. The Aldermanic allowance is a gross, pre-tax figure.

Expenditure Allocation Limits: The Council has resolved that expenditure under the following classifications will be subject to the maximum limits noted.

Communication Costs - \$2,000 per financial year

Fuel Expenses - 1,500 litres per financial year

Elective Community Activities, per financial year:

^{**} Non-refundable purchase

Lord Mayor \$5,000 Deputy Lord Mayor \$2,500 Aldermen \$1,000

^{*} Professional Development - \$5,000 per year, \$20,000 per four year term, per Alderman. For further information please refer to the Council's policy in relation to Aldermanic Development and Support.

[^] Council's policy provides that in order to avoid excessive mobile phone accounts, in certain situations mobile phone data packs may be used for Aldermen who are travelling overseas.

The cost of the data packs purchased in these specific situations are shown as an expense to the individual Alderman, however the cost of the data pack is not included as part of the annual telecommunications countries.
