

Shared Use Trial

Pillinger Drive Track

Middle Track between Radfords Track and Reservoir Trail

CHANGE OF USE

The Wellington Park Management Trust is trialling shared use of Pillinger Drive Track and the upper portion of Middle Track for 6 months. Conversion of these tracks to shared use creates a new off-road bicycling route between The Springs and Fern Tree. During the trial both riders and walkers will be able to use the tracks.

The Trust would like your feedback on the shared use of these tracks. Please go to www.wellingtonpark.org.au for further details and for a link to the feedback form.
