

CERTIFIED COMPOSTABLE PACKAGING SUPPLIERS

Businesses are advised to speak to your current supplier of packaging to assist them to comply with Hobart's Single use plastic by-law.

Below is a list of packaging suppliers to the Hobart area that the City is currently aware of and is assured of compliance at the time of release of this document.

This list is not exhaustive, nor does it imply alternative packaging suppliers do not provide complaint packaging.

As compostable packaging becomes more common it is likely additional products, manufacturers, and suppliers will become available.
