**Meeting: City Planning Committee**

**Meeting date: 1 November

**Raised by:** Councillor Coats

**Question:**

Can the Director confirm that criteria E6.7.8 P1 (b) *soften the boundary of car parking areas to reduce the amenity impact on neighbouring properties and the streetscape*, only applies to neighbouring properties and not to those within a complex type development if that was proposed?

**Response:**

I can confirm that this provision is directed at protecting the amenity impacts only of neighbouring properties and streetscapes.
