Dear Lord Mayor

I am pleased to let you know that a future Tasmanian Labor Government would fund the below local commitment projects across Hobart:

Organisation	Project	Amount
Hobart City Council	New toilets and surrounding infrastructure at the Springs	\$1 million
Hobart City Council	New bathroom facilities at the Pinnacle	\$800,000
North Hobart Football Club	Establish North Hobart Oval as a vital piece of community infrastructure	\$350,000
Australian Italian Club of Hobart	Festa Italia	\$50,000.00
Taroona Football Club	Improved lighting	\$142,000.00
Tassie Mums	Secure a van to move goods to regional organisations (shared with Franklin)	\$53,086.62
Greek Community Tasmania	Estia Festival	\$26,000.00
Ice Sports Tasmania	New olympic sized ice rink	\$2 million

Further, Tasmanian Labor has a plan to provide funding support to local governments through a \$15 million *Immediate Local Government Assistance Fund*. Through this fund, local governments will be able to apply for funding across six streams: All-Abilities Access Stream, Tracks and Trails Stream, Climate Mitigation and Adaptation Stream, Dog Recreation Stream, Beach All-Access Stream and a Recreation Grounds Irrigation Stream.

You can find out more about the *Immediate Local Government Assistance Fund* [here](#).

Labor knows that Tasmanians across our great state are struggling with the cost-of-living and that's why we have a plan to tackle it.

To tackle the cost-of-living crisis, a Labor Government would take targeted measures to reduce the strain on the family budget.

A part of this will be expanding childcare across the state - opening 30 new early childhood centres and we'll expand 20 before and after school centres, including extending the hours at the RHH. Something I know many Hobart residents will benefit from.

On top of this, I am so proud that a Labor Government will deliver a new public hospital in New Town which will specifically cater for elective surgeries, reducing the strain on the RHH.

You can access Labor's plans for urgent action on the cost of living [here](#).

Thank you once again for your advocacy,

Kind regards
