Lord Mayor
City of Hobart
Town Hall
HOBART TAS 7000

Dear Lord Mayor

Anna

Thank you for your correspondence regarding the need for federal funding to support the City of Hobart's priority projects.

I can confirm that I have already raised the following priorities with the Prime Minister and his office personally:

- Kunanyi/Mount Wellington infrastructure upgrades and Halls Saddle mountain gateway precinct.
- Innovation precinct housing.
- Doone Kennedy Hobart Aquatic Centre roof replacement.
- New Town sports precinct.
- McRobies waste recovery facility.
- City Hall renewal works.
- Delivering transport choice for Hobart.

I have also met with the Hobart Phoenix Basketball Club to discuss the need for a dedicated basketball facility at Rugby Park, and the University of Tasmania regarding its proposed STEM precinct.

The City of Hobart and its residents can be assured that I will continue to advocate for these projects in the strongest terms possible, with whichever party forms government following the federal election.

Yours sincerely
