URBAN ART WALLS

CREATIVE HOBART

AN INITIATIVE OF

 City of HOBART

URBAN ART WALLS

Using buildings as a canvas, the City of Hobart is making high-quality urban art a celebrated part of our landscape. This map will help you discover some of the city's urban art walls and the artists who created them. The walls have been painted by experienced and emerging artists and include works from 2015 onwards.

URBAN ART WALLS AROUND HOBART

26. **Artist:** Georgia Hill **Lynton Avenue**
27. **Artist:** Jimmy Dvate **Wynyard Street**
This project was commissioned and locally crowd-funded by Hobart Rivulet Platypus – a group set up to raise awareness and care for the platypuses in the Hobart Rivulet.
28. **Artist:** Tom O'Hern **Inter City Cycleway**
Tom's interpretation of the solar system was painted on the Intercity Cycleway as part of the CityPILOTS program and runs from the Regatta Grounds entry (the Sun) through to the intersection with Bay Road (Pluto!).
