

Policy

Title: Landlord Approval to Hold Circuses with Performing Wild Animals on Council Land

Category: Recreation, Parks, Bushland and Reserves

Date Last Adopted: 15 February 2022

1. Objectives

To provide a Council position in respect to the use of Council owned land for circus organisations with performing wild animals and direction to officers in granting approval for the use of council owned land by circus organisations.

2. Background

This policy was development as a result of a request to ban circuses with wild animals from performing on Council owned property.

3. Policy

That requests for the use of Council owned land by circus organisations wishing to include performing wild animals, be only approved if should the circus conforms to the relevant state/commonwealth standards governing the care and treatment of circus animals.
