Response to Question Without Notice

PARKING PERMITS - BATTERY POINT

Meeting: City Planning Committee

Meeting date: 18 January 2021

Raised by: Deputy Lord Mayor Burnet

Question:

Can the Director advise how many residential parking permits are issued and how does that correlate to the number of car parks available?

Response:

2014 data

The last comprehensive work on this matter was conducted in 2014, as part of a review of on-street parking management in Battery Point.

At that time, in the area highlighted in Figure 1, resident parking permits issued and on-street parking supply could be summarised as follows:

Zone (from Figure 1)	Dwellings / Businesses	Resident Parking Permits Issued	On Street Parking Spaces (All)	On Street Parking Spaces (Resident Permit Holders)
Purple	163	128	149	119
Red	99	50	53	29
Blue	618	265	600	344
Total	880	443	802	482

Figure 1 – Battery Point Resident Parking Areas from 2014 Review

In summary, in 2014, in the part of Battery Point as shown in Figure 1, there were 443 annual resident parking permits issued. In this same area there were 802 on-street parking spaces, with 482 of those 802 on street parking spaces having restrictions providing priority to resident parking permit holders.

2021 data (current)

A recent kerbside audit (October 2020) and desktop review of residential permits in Battery Point (February 2021) indicates that supply for residential parking permit area is adequate with approximately 70% take-up, leaving 30% capacity.

There are 581 residential parking spaces in Battery Point, with 412 active residential parking permits.

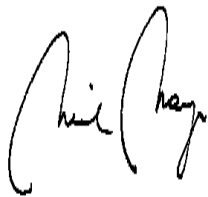

There are an additional 287 unrestricted carparking spaces in Battery Point.

See Attachment A – *Battery Point Parking 23 February 2021*.

Summary

1. There is an adequate supply of spaces for residential parking in Battery Point; and
2. Permit numbers for residential parking permits have remained relatively stable in the low to mid 400s in number per year.

As signatory to this report, I certify that, pursuant to Section 55(1) of the Local Government Act 1993, I hold no interest, as referred to in Section 49 of the Local Government Act 1993, in matters contained in this report.

Neil Noye
DIRECTOR CITY PLANNING

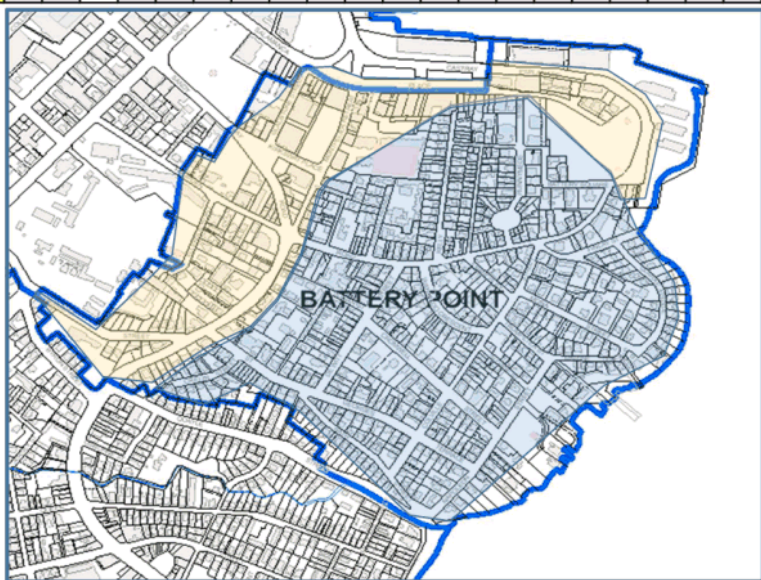

Date: 19 March 2021
