

Barking dog concern

When to use this form

Use this form if you have a concern about excessive dog barking.

All dogs bark, but if you believe it is happening more often and more loudly than is reasonable, we can assist you by letting the owner know there may be an issue. In some cases the owner may not realise that the barking is causing a problem, particularly if it is happening when they are not home.

Please be aware, we are not able to take any anonymous complaints and therefore will not respond to any we receive.

For further information on how the City manages these concerns please refer to our [website](#).
